A horizontal bar chart with a dark blue background. The chart compares the percentage of respondents for three categories: JavaScript, Java, and AWS. Each category is represented by a row of white dots. JavaScript has 25 filled dots and 5 empty dots, totaling 30 dots. Java has 25 filled dots and 5 empty dots, totaling 30 dots. AWS has 15 filled dots and 15 empty dots, totaling 30 dots.

Category	Percentage
JavaScript	83%
Java	83%
AWS	50%

Spanish; Castillian

English

Catalan; Valencian

Otters, penguins, video games, football (soccer), Japan/Korea, paddle.

A youngster with a great passion for functional programming and data science. I love to do personal projects and upload them to my GitHub.
